USFK Provost Marshal Hosts Law Enforcement Conference

Story and pictures by, Pfc. Van M. Tran

The theme for the 3rd Annual United States Forces Korea Provost Marshal Law Enforcement Conference was "Innovative Thinking for a Dynamic Theater". Col. Falkner Heard III, 8th Military Police Brigade commander and Combined Forces Command, USFK, and Eighth United States Army Provost Marshal, hosted the conference, which was held at the Dragon Hill Lodge, Nov 9 and 10 in Yongsan, Garrison.

Lt. Gen. Charles C. Campbell, Eighth United States Army Commander,

Lieutenant General Campbell, 8th Army Commander, was the guest speaker at this year's Law Enforcement Conference.

was the guest speaker for the conference. He spoke about the many roles of the law enforcement community and of its importance.

"The importance of the law enforcement commu-

nity in Korea cannot be overstated. The most important thing is that we train our Soldiers to "fight tonight," expressed Campbell.

Force Protection Information

The U.S. Forces Korea Civil Gathering Hotline is an automated recording, updated daily intended to inform service members and their families across the Korean peninsula about ongoing pro or anti U. S. civil gatherings. When on post simply dial **115**. The hotline informs callers about the dates and times of scheduled civil gathering as well as locations.

If you find yourself in one of these areas and need assistance simply call **112** for the Korean National Police. If in Seoul dial **02-7914-3004** or **3005** for Yongsan's military police.

If in other area of Korea, soldiers and their families can refer to the emergency phone numbers on the USFK SOFA card.

Reminder: All USFK Personnel and their family members are required to carry a SOFA card at all times. Be safe and use the Buddy System

The event began on Tuesday when Col. Heard welcomed his fellow leaders to the conference. He spoke about the strong relationships between military and civilian law enforcement communities and how that relationship serves the service members across the peninsula.

"To foster and harden relationships between both civil-

ian and military law enforcement agencies, strengthen force protection and establish good relationships with our allies", Col. Heard said these are some of the primary reasons the conference is held.

The intent of the conference was to inform Provost Marshals and law enforcement leaders from across the peninsula of the USFK Provost Marshal's accomplishments, status of current initiatives, and to formulate the way ahead through a forum of networking and personal communication among their peers. The law enforcement conference also promotes interaction in resolving critical issues within law enforcement entities in the Korean Theater and creates an environment for timely and effective communication across military service components.

Many topics and training

events were discussed throughout the two-day event including sensitive issues such as human trafficking, prostitution, counterfeiting, customs, and traffic regulations.

Later Tuesday evening, the conference went to a more casual atmosphere full of laughs and plenty of good food to go around.

The talks continued until mid-day Wednesday. By the end of the conference, the law enforcement community had a better understanding of law enforcement issues across the peninsula.

법집행 회의를 개최한 주한미군 헌병사령관

3번 째 주한미군 헌병사령관 법집행회의의 테마는 “활력 있는 작전구역을 위한 혁신적인 생각”이었다.

8헌병여단 사령관이자 한미연합사, 주한미군, 미8군 헌병사령관인 대령 Heard III는 11월 9일과 10일, 용산미군기지의 드래곤힐호텔에서 회의를 개최했다.

미8군사령관 중장 Campbell은 회의의 객원 연설자였다. 그는 법집행 사회의 역할과 그것의 중요성에 대해 연설했다.

중장 Campbell은 “한국에서의 법집행 사회는 매우 중요합니다. 가장 중요한 것은 우리가 우리의 군인들을 ‘오늘 밤에 싸울 수 있도록’ 훈련시키는 것입니다.”라고 말했다.

화요일에 시작된 행사에서 대령 Heard는 그의 다음 지도자를 회의에 맞아들였다. 그는 군과 민간 법집행 사회 간의 강한 관계와 그 관계가 한반도에서 어떻게 작용하는가에 대해 말했다.

“군과 민간 법집행기관과의 관계를 증진시키고 강화하기 위해서 부대방어를 강화하고 동맹국과의 좋은 관계를 확립하는 것”이 대령 Heard가 올 해의 회의에서 가장 중요하다고 말한 것이다.

회의의 목적은 한반도의 주한미군 헌병사령관과 법집행 지휘관들에게 주한미군 헌병사령관의 성취와 현재의 주도권의 상태, 그리고 그들의 동

료들 간의 네트워킹과 개인 의사소통의 토론을 통한 앞으로의 명확한 행보를 알리는 것이다.

법집행회의는 또한 한국 작전구역에서의 법집행 본질에서의 치명적인 문제들을 해결하는데 있어서 상호작용을 촉진하고 군대의 전체 구성요소에서 시기에 맞고 효과적인 전달을 위한 환경을 만든다. 이들 간의 행사 기간 동안 인신매매, 매춘, 화폐

위조, 세관, 교통법규와 같은 민감한 문제를 포함한 많은 주제와 훈련 행사들이 논의되어졌다.

화요일 저녁 이후에 회의는 웃음과 충분한 음식이 가득한 더욱 편안한 분위기가 되어갔다.

대화는 수요일 정오까지 계속되었다. 회의가 끝난 후에 법집행 사회는 한반도 전체의 법집행에 대해서 충분히 이해할 수 있었다.

94th MP Battalion Pig Bowl

Story and photo by Pfc. Van M. Tran,
Watchdog staff writer

On Sunday November 5th the 94th Military Police Battalion held its annual Pig Bowl. This event is a spirited competition composed of several events such as flag football, basketball, volleyball, dodge ball and tug of war. In this case the different companies compete against each other for bragging rights and a trophy that is given to the victor at the end of the competition.

You might ask yourself why a battalion would take a day off to take part in this event.

"This event is held to commend the hard work of the Soldiers and prepare them for the Brigade Pig Bowl in December," is the answer according to SGM Patrick R. Dawson of the 94th MP Bn. S3.

Usually the winner of the tug of war has "bragging" rights until the Brigade Pig Bowl that takes place in December. Photo by Pfc. Tran

All the companies were represented by teams that participated in each individual event. However the most exciting and anticipated event was the tug of war. This event was a true test of strength and endurance for each individual on the team. Usually the winner of the

tug of war has "bragging" rights until the Brigade Pig Bowl that takes place in December.

After each company battled each other in this particular event there were only two finalists, the 249th Military Police Detachment and the 55th Military Police Company. This event was decided on the best two out of three tries. To make the event even more exciting and intense, each company had one victory going into the third bout.

Even though both teams gave it their best effort, the 55th Military Police Company came out on top to claim victory.

To conclude the days events the Battalion Commander, LTC Jeffrey Davies, gave out awards to the companies that won each event. Then each company went home with the satisfaction that they gave their best effort.

피그볼을 개최한 94헌병대대

Translated to Hangeul by Pv2. Jung,
Jung-Woo, Watchdog staff writer

94헌병대대는 11월 5일 대대연중행사인 피그볼을 개최했다. 피그볼은 플래그 풋볼, 농구, 배구, 도지볼, 줄다리기 등으로 구성된 매우 경쟁이 심한 행사이다. 이번 행사에서는 여러 중대들이 서로 겨뤄서 경쟁에서 이긴 중대에게 주어지는 명성과 트로피를 얻게 된다.

아마도 왜 대대에서 이번 행사에 참가하는지 궁금할 것이다. 위 궁금증은 94헌병대대 작전과에서 근무하는 원사 Dawson의 “이번 행사는 군인들에게 힘든 일을 경험하게 하고 올 해 12월에 있을 여단 피그볼에 준비하게 위해서 개최되었습니다.”라는 말로 충분히 해결될 것이

다.

모든 중대는 각각의 종목에 팀 단위로 참가했다. 그러나 가장 흥미롭고 기대되는 종목은 줄다리기였다. 이 종목은 각 팀들의 힘과 인내력을 시험한다. 주로 줄다리기의 승자는 12월에 열릴 여단 피크볼이 열릴 때까지 사랑하게 된다.

각 중대들이 경쟁한 후 마지막 결승전에는 두 팀이 남았다. 바로 249헌병대와 55헌병중대였다. 결승전에서는 세 번 중 두 번을 먼저 이긴 팀이 승리하게 된다. 행사를 더욱 흥미있고 긴장되게 하기 위해서 각 중대는 세 번의 시험으로 승리자를 정한다.

두 팀이 모두 최선을 다했지만 결국 55헌병중대가 결승전에서 승리하여 정상에 올랐다.

8th MP Headquarters Relocation

Story by Spc. William J. Scott, Watchdog editor

Due to hostilities on the Korean Peninsula, Soldiers of the 8th MP HHC were awakened earlier than usual November 8th to load a convoy with equipment and move the Brigades' Headquarter elements to a mobile soft site located in Camp Humphreys.

That was the scenario that motivated CPT Gary Spivey, Commander 8th MP HHC BDE to conduct the unit's latest field exercise, a Command Post relocation to a tactical environment.

The task of moving the headquarters to and operating out of a soft site had not been attempted in recent memory. The undertaking was a culmination

of extensive planning and preparation done in order to make certain the exercise was accomplished smoothly and to standard. In preparation for this move a complete site setup in the Brigade Headquarters' backyard was accomplished days prior to the move south.

CPT Spivey wanted to ensure the HHC could conduct its war-time mission of commanding, coordinating and supporting the Brigade's subordinate units while in a field environment. Additionally, he wanted to establish the exact movements by which the unit would achieve this mission and gain practical, hands-on experience applying these movements in a realistic setting.

Step by step, that is exactly what the unit did, starting with planning and coordination through execution of site setup and breakdown.

"The place looked like an actual soft site you could go to war with", commented SPC Blair Carlo, who had seen many such sites during his four years as an infantry soldier prior to coming to the 8th MP BDE. "Everyone was motivated to get there and get it done" he said.

With the exercise completed, stakes pulled up and a few minor changes to the SOP, all seemed to go as well as expected, possibly better. That seemed to be the consensus among the soldiers and command alike. Back at headquarters, 1SG Anthony Manning was overheard saying "everyone did an excellent job out there."

CPT Spivey agreed, "This was an NCO driven event, they made the mission a success." He went on to compliment his junior Soldiers, "I didn't hear a single complaint, gripe or whine the whole time we were out there, they just went about getting the job done - I think they wanted to stay out longer."

To the Commander, perhaps the greatest result of the exercise is his personal satisfaction and peace of mind, knowing his unit is ready and capable to perform their mission anywhere, at anytime.

8헌병여단 본부 재배치 훈련

Translated to Hangul by Pv2. Jung, Jung-Woo, Watchdog staff writer

8헌병여단은 한반도의 적대적인 상황 때문에 평소보다 이른 11월 8일에 장비를 싣고 여단 본부를 평택의 Camp Humphrey에 있는 취약 지역으로 옮겼다. 이것은 8헌병여단 본부중대 사령관 대위 Spivey가 부대의 가장 최근에 야전 훈련과 전술적인 환경으로 전투 지휘소를 재배치하는 것을 지휘하는 시나리오이다. 본부를 견고하지 않은 곳으로 옮기는 일은 최근까지 시도해본 적이 없었다. 이번 일은 훈련이 매끄럽게 수행될 수 있도록 하기 위한 포괄적인 계획과 준비의 절정이었다. 여단 본부를 완전히 옮기기 위한 준비는 재배치하기 며칠 전에 이미 완료되었다.

대위 Spivey는 본부중대가 야전 환경에서 여단의 하위 부대를 명령, 정리, 지원하는 전시상황임무에 대한 지휘를 확실히 하고 싶어했다. 게다가 그는 각 부대가 그들의 임무를 성취하고 실제 상황에 적용할 수 있는 실질적인 경험을 얻음으로써 확실한 이동을 하고 싶었다. 본부중대는 계획에 따라 작업을 시작해서 기지를 설치하고 해체했다.

8헌병여단에 오기 전에 보병으로 4년간 복무했던 상병 Carlo는 “이 장소는 실제 전시상황에서 경험할 수

있는 취약한 지역같습니다.”라고 말했다. 그는 “모두가 이곳에 도착해서 훈련을 하는데 열심히 었습니다.”라고 덧붙였다.

모든 것이 예상했던 것보다 잘 되었다. 사병과 지휘관 모두 훈련 결과에 대해서 만족했다. 그리고 여단 본부로 돌아오면서 일등상사 Manning이 “모두가 훈련지에서 잘해주었다.”라고 말하는 것을 우연히 들을 수 있었다.

Proudly Serving After Retirement

Story and photos by Pfc. Van M. Tran,
Watchdog staff writer

You don't necessarily have to be an American Soldier to serve your country. There are everyday people who help the 8th MP BDE accomplish their mission. The 8th Military Police Brigade would like to take a second and recognize three individuals who stand out in the eyes of everyone who works in the brigade headquarters building. These three individuals don't just stand out because of their service to the 8th MP BDE. They stand out because all three of these individuals have over 20 years of active duty in the US Army, all three retired from the Army, and yet they still serve as a civilian employee of the US Army. These three men are Mr. Bill Eggleston, Mr. Bill Heddleson, and Mr. Evan Caldwell.

All three of these men are examples of true patriots in service to their country. Their desire to serve has been unwavering for over two decades.

Mr. Bill Eggleston served for 23 years in Military Police and in Military Intelligence. He has a lot of experience training and mentoring Soldiers. After retirement he chose to stay associated with the Army by becoming the Deputy Chief of Customs within the 8th Military Police Brigade.

"I can come back and do more for a Soldier due to the fact that I am no longer a Soldier", said Mr. Eggleston. His

high morale and ability to motivate young Soldiers has made working with him a pleasure for everyone who has ever had the chance to do so.

Mr. Bill Heddleson served for 21 years in the active Army. At first glance, anyone can tell that Mr. Heddleson loves what he does. From talking to him you can immediately tell that he is a humble and wholesome man who enjoys talking to, and getting feedback from Soldiers.

Mr. Heddleson is the Resource Manager for the 8th MP BDE. This is his second time serving in Korea, but his first time as a civilian.

"The best part about serving in Korea as a civilian is the ability to interact with the locals and to take advantage of Korea's outdoor environment,

with such things as, hiking and fishing. Also because of the high turnover rate for military personnel, I get to experience the joys of watching junior Soldiers mature into fine young men," expressed Mr. Heddleson.

The last of these three outstanding men is Mr. Evan Caldwell. Mr. Caldwell retired from active duty in 1999 after 24 years serving as a Military Police Officer. He is now serving as the 8th MP BDE's Head of Security.

"The hardest part of the job that I have now is ensuring that everyone is in compliance with all the security policies such as B.I.D.S (biometric identification system). In doing so, Soldiers keep themselves and their families safe."

Transitioning from a Sol-

dier to a civilian was no problem for Mr. Caldwell.

“Becoming a civilian was not hard because I feel that I accomplished all the goals I had

in mind when I came into the Army”.

Everyone who works with these fine gentlemen feels a sense of pride and admiration. These three men continue to serve their country after active

duty military retirement. This time their weapon of choice is not a government issued rifle, but the knowledge they have learned, the ability to make decisions, and a fountain pen.

제대 후에도 자랑스럽게 일하는 사람들

Translated to Hangul by Pv2. Jung, Jung-Woo, Watchdog staff writer

국가에 충성을 다하기 위해서는 반드시 미군이어야 할 필요는 없다. 여기에 8헌병여단의 임무 수행을 도와주는 사람들이 있다. 그들은 여단에서 일하는 모든 사람들이 인정하는 걸출한 세 명의 근무자들이다. 이들은 단지 업무상으로만 뛰어난 것이 아니라 모두 미육군에서의 20년 이상의 근무 경험이 있고, 육군을 제대한 후에도 여전히 미육군의 민간인 고용자로 일하고 있기 때문에 좋은 평판을 받고 있다. Eggleston씨, Heddleson씨, 그리고 Caldwell씨가 바로 그들이다.

위의 세 명은 진정한 애국자들이다. 그들의 국가에 대한 충성심은 20여년 동안 의심의 여지가 없이 훌륭했다.

Eggleston씨는 헌병과 정보 여단에서 23년 동안 복무했다. 그는 수많은 훈련 경험을 가지고 있다. 제대 후 그는 8헌병여단의 세관 대표자가 되어 육군과 관련된 일을 하기로 했다.

Eggleston씨는 “나는 더이상 군인이 아니기에 돌아와서 군인을 위한 일을 더 할 수 있습니다.”라고

말했다. 젊은 군인들에게 동기를 유발시키는 그의 높은 도덕성과 뛰어난 능력 덕분에 그와 함께 대화하고 일하는 사람들은 즐겁게 일하고 있다.

Heddleson씨는 미육군에서 21년 동안 복무했다. 누구나 얼핏보더라도 Heddleson씨는 그가 하는 일을 좋아한다고 말할 수 있을 것이다. 그와 대화를 하게 되면 그가 군인들과 대화하는 것을 좋아하는 겸손하며 건전한 사람이라는 것을 바로 알 수 있다.

Heddleson씨는 8헌병여단의 자원관리자이다. 이것은 그가 한국에서 두 번째로 하는 일이지만 민간인으로서는 처음이다.

Heddleson씨는 “한국에서 민간인으로 일하는 것 중에서 가장 좋은 부분은 지방주민과 상호작용을 하고 하이킹과 낚시같은 외부 환경을 이용할 수 있다는 점입니다. 또한 이곳에서는 군인들의 전환률이 높기 때문에 신병들이 훌륭한 남자로 성숙하는 것을 볼 기회가 많습니다.”라고 말했다.

이들 세 명 중 잊어서는 안될 마지막 사람은 Caldwell씨이다. Caldwell씨는 헌병장교로써 24년

간 복무 후 1999년에 제대했다. 그는 현재 8헌병여단의 보안책임자로 일하고 있다.

Caldwell씨는 “내가 맡고 있는 일에서 가장 힘든 부분은 모두가 B.I.D.S(생물측정 확인 시스템)과 같은 보안정책이 가능하도록 확실하게 하는 것입니다. 그렇게 함으로써 군인들은 그들과 가족들의 안전을 지킬 수 있습니다.”라고 말했다.

Caldwell씨에게 군인에서 민간인으로의 변화는 어렵지 않았다.

“민간인이 되는 것은 내가 미군에 입대할 때 세웠던 목표들을 모두 이뤘다고 느끼기 때문에 전혀 힘들지 않았습니다.”

이미 알다시피 위의 훌륭한 세 명과 일하는 사람들은 자부심을 느끼며 그들을 존경하고 있다. 이들은 퇴직한 후에도 국가를 위해 충성을 다할 것이다. 단지 이 순간 그들의 무기는 정부에서 지급받은 라이플이 아니라 그들이 배운 지식과 의사결정능력, 그리고 만년필일 뿐이다.

Holiday shipping

Story and photos by Spc. William J. Scott, Watchdog editor

With the Holidays fast approaching, most of us will soon be sending packages home and will be receiving some in return. Shipping through the U.S. mail is a cost-efficient way to send your packages to the United States, but there are some things you should know before trying to send your loved one that \$20.00 Rolex you bought last weekend.

The Postal Service sends all foreign mail shipments to Customs for examination, and prohibited items will be confiscated. Customs then returns packages to the Postal Service, which sends them to a local post office for delivery.

If the package requires payment of duty, Customs attaches a form called a *mail en-*

try (form CF-3419A), which shows how much duty is owed, and charges a \$5 processing fee. When the post office delivers the package, it will also charge a fee for handling. Duties and fees will be collected when the package is delivered.

Here are some steps you can take to make the process run as smoothly as possible.

*Do not send alcohol.

*Do not send counterfeit products.

*Do not send fruits, vegetables, or meat.

*Be aware of other prohibited or restricted items – drug paraphernalia, live animals, endangered animal products, etc. If unsure, check with the Post Office.

*Keep your packages small,

You can rely on your local Post Office to get your Holiday packages home to your loved ones.

they cannot exceed 70 lbs.

*Make sure your packages are properly addressed. Sender's name must match ID card.

*At the Post Office, fill out all required forms and have your ID card out prior to approaching the counter.

*Sending a large amount of packages? Contact your local Post Office to request an appointment outside of normal business hours.

*Remember the Post Office strongly encourages you to mail your packages by 11 Dec. so you can avoid disappointing someone.

Most Post Offices are already operating on extended holiday hours, check with your local Post Office for specific times. Happy Holidays!
